

Palomar Mountain Fire Safe Council Report of January 27, 2018 meeting

Financial: \$200.00 donation
\$359.05 from Neighborhood Reinvestment for additional Barricade
(23 application kits and 2 pressure washers for community use purchased)

USFS Contacts: Pouva Vorpanya - Fuel management Palomar District
Prawitt Hess - Patrol Palomar District

Active Grants: For those already in queue, there is \$ for chipping from USFS grant.

Potential Grants: SDG&E \$2500.00 for education.
NRP for more Barricade (YV will contact Bill Leininger)
USFS for fuel reduction

FSCSDC: Mar 8, 2018 - Evac Plans are this year's main thrust. USFS will help with establishing TRAs but early evacuation is the main intent.

Upcoming Events: Evac workshop mid-June
Chainsaw workshop mid-summer
Barricade workshop end-summer

Community: Reflective house number signs available thru CERT - notices posted PO and Community Bulletin Board.
Road Maint. Resolution - Will mail letters to all APN/Landowners. Need mailing list from title search. Need grant \$ for tree removal.
